

## SRRC Grant Membership Information

---

SRRC's Grant Program is intended to help deserving potential new SRRC members and current SRRC racers partially offset the cost of ski racing by having the registration fee paid in full by the club. Please read below for details on how to apply.

### **Eligibility**

The grant will be awarded to a potential new or current SRRC athlete who is 10 years old or older as of January 1 of the year in which the grant is to be awarded (eligible athlete). Any eligible athlete can apply for the grant, including children of both SRRC board members and SRRC coaches, with the one exception being that those children of the selection committee are NOT eligible for the grant. An athlete can be awarded a grant for a maximum of 3 consecutive seasons.

### **Selection Process**

SRRC Board and others will make up the selection committee and function as judges for awarding the grant. Evaluation is comprised of review of the SRRC registration form, an informal assessment of financial need, skiing potential and a brief letter by the applicant describing their interest in the grant, skiing and ski racing.

Evaluation and judging is acknowledged to be subjective and is confidential. The decision of the judges is final. Winners will be notified by email and phone call.

### **Distribution of funds**

After review of applications and selection of winners, the club Treasurer will write a check to the selected athletes for their use in paying for, or reimbursement for, club registration fees.

### **Submittal Process**

Applicants submittal consists of the application form, SRRC registration form and a 1-2 page letter, indicating their interest in the grant program and briefly

describing what the grant, skiing and ski racing means to them. Parents are encouraged to help but not dominate the submittal process.

The application can be emailed or US mailed per the addresses on the form.

A brief assessment of skiing potential may be conducted informally on snow when appropriate and available.

### **Timeline**

Submittals are due by December 1. Grant awardees will be informed of their selection within 3 weeks of the opening of the ski season.

### **Questions?**

Any questions can be directed to Tracey Beinhaur, SRRC Program Coordinator, by email at [info@srrclub.org](mailto:info@srrclub.org) or Coach Ted Fridirici, Selection Committee member, at [tedfridirici@live.com](mailto:tedfridirici@live.com)
